3. Each day an owner/custodian of an animal described in Section III, Subsection 3.8(1) and (2) above fails to abide by those sections constitutes a separate offense.

SECTION 4. IMPOUNDMENT OF PET ANIMALS

- 4.1 **IMPOUNDMENT:** Animals owned or harbored in violation of this order or any other order of law of the State of Texas may be taken into custody by the ACA and impounded. Stray or animals considered running at large may be similarly impounded.
- 4.2 **ANIMAL SHELTER:** An animal shelter shall be utilized for the purpose of boarding and caring for any animal impounded under the provision of this order. In lieu of an animal shelter, the County may contract with any licensed veterinarian or other licensed facility to provide this service at a fee mutually agreed upon and having a suitable facility that has been approved by the Texas Department of Health.
- 4.3 **RIGHT TO ENTER:** The ACA/LRCA is hereby authorized to enter upon any lot, tract, or parcel of land for the purpose of seizing and impounding any animal found thereon in violation of this order.
- 4.4 **REGISTRY OF ANIMAL:** Immediately upon impounding any animal, the ACA/LRCA shall make a complete registry of the animal, entering breed, color, and gender of such animal and the place and time of taking custody.
- 4.5 **REMOVAL OF ANIMALS FROM ANIMAL SHELTER:** It shall be unlawful for any person to remove any impounded animal from the animal shelter without the consent of the ACA/LRCA or other impoundment official or agency. The impoundment official or animal shelter shall not release any animal to an owner/custodian without proof of rabies vaccination.
- 4.6 **REMOVAL OF BITING PET ANIMALS FROM CONFINEMENT:** The impoundment of pet animals that have inflicted bites on humans shall be for a period of ten (10) days for observation and shall not be terminated until consent from the proper officer or agency is secured.

Any impounded animal may be reclaimed upon payment of impoundment fee, care, and feeding charges, veterinary charges, rabies vaccination charges and such other costs as set by the Commissioner's Court. If such animal is not wearing a current rabies tag and is not redeemed within three (3) business days, it shall be deemed

abandoned. Said animal may then be placed for adoption, or the impoundment officer may humanely euthanize said animal.

4.8 DISPOSITION OF IMPOUNDED ANIMAL BEING HELD ON COMPLAINT: If a complaint has been filed in a Justice Court of the County of Kaufman against the owner/custodian of an impounded animal for violation of this order, the animal shall not be released except on the order of the court which may also direct the owner/custodian to pay any penalties for violation of this order in addition to fair impoundment fees. The Court may order said animal to be euthanized in a humane manner upon making a finding that such animal is a dangerous or vicious animal or that it represents a clear and present danger or nuisance to the citizens or other animals in the community. Surrender of an animal by the owner/custodian thereof to the Peace Officer does not relieve or render the owner/custodian immune from the decision of the Court, nor to the fees and fines that may result from a violation of this order.

4.9 DISPOSITION OF DISEASED ANIMALS: Any animal taken into custody by the animal control officer, except those animals which have inflicted bites on humans during the preceding ten (10) days and that are visibly affected with any sign of communicable disease other than rabies which are being held at the impounding facility, may, instead, of being impounded, be humanely destroyed provided that:

- 5.10 Notwithstanding the above, a dangerous dog or a dog that is a danger to other animals must be restrained at all times by a secure leash or be kept in a secure enclosure.
- 5.11 Improper tethering shall be considered a Class C Misdemeanor under Texas Health and Safety Code Section 821.079.
- 5.12 A Peace Officer may order any owner/custodian or person having care, control, or custody of any dangerous or vicious pet animal to take such animal permanently from the County. This animal must be removed immediately following receipt of such order even if an appeal is initiated. This order may be

appealed in writing within fifteen (15) day after the date the owner/custodian is notified to a justice or county court. An owner/custodian may appeal the decision of the justice or county court in the same manner as appeal for other cases from the justice or county court.

- 5.13 If the owner/custodian or person having care, custody, or control of a vicious pet animal fails to remove such animal as provided for in Section V, Subsection 5.12 of this section, such animal may be impounded or humanely destroyed.
- 5.14 The owner/custodian or person having care, custody, or control of a vicious pet animal must report the disposition such animal to the ACA in writing within ten (10) days after the removal date for such animal from the County. Each day thereafter such information is not provided shall constitute a separate offense.
- 5.15 The ACA shall be authorized to obtain a search and seizure warrant if there is reason to believe that a pet animal ordered removed from the county for being vicious has not been so removed.
- 5.16 It shall be unlawful for any pet animal to be brought into this county that has been declared vicious or dangerous by any other county shall result in a separate offense.

- 5.19 An owner, custodian, keeper, or person in control of a pet animal shall adhere to Section III, Subsection 3.4 and failure to have the metal rabies vaccination tag attached to the pet animal, may make he/she subject to a fine.
